Attn: Lisa Wardley, Chair

**Re: Associate Membership**

Lisa,

At the January 14th, 2019 Regular Meeting of Council, Council moved to become an Associate Member of the Northwest Alberta Northwest Species at Risk Committee.

With Fox Creek being in the heart of the Duvernay and Montney play, we have many oil and gas operations in the area. This sector employs the majority of our working population. Our town has a high chance of being adversely affected by the Northwest Caribou Ranges, and we believe that our region can maintain our economic growth while taking the extra effort to ensure the environmental integrity and protection of our beautiful boreal region.

Please consider this letter as a request to become an associate member of the Alberta Northwest Species at Risk Committee.

Should you have any questions, or require more information, please contact me at [operations@foxcreek.ca](mailto:operations@foxcreek.ca) or by phone at 780.622.3896.

We look forward to working together in the future.

Sincerely,

Roy Dell  
Chief Administrative officer  
Town of Fox Creek
