RE: NCLGA 2019 AGM and Convention

Dear Lisa Wardley,

On behalf of the NCLGA Board of Directors and staff, I would like to thank the Alberta Northwest Species at Risk Committee for helping to make our 64th Annual General Meeting in Williams Lake a resounding success. Your sponsorship and support not only helped us plan, prepare and execute our AGM, it also contributed to the sustainability of our association as well. We are additionally very grateful for your willingness to share your knowledge and expertise as it was an integral part of creating an outstanding and memorable event.

Of course, your partnership with the NCLGA extends beyond sponsorship of the event to the work that we do. Your presence at our annual event illustrates your commitment to engaging with the communities we represent, and demonstrates our collaborative partnerships. It is these partnerships that strengthen the resilience of north central BC and we are grateful for your support.

I look forward to seeing you at our future AGMs and sincerely hope to maintain the positive working relationship we have developed over the past year. It has truly been a pleasure to connect with your team and thank you again.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lara Beckett', written in a cursive style.

Lara Beckett
NCLGA President
